•	SC Child Care inclusion Collaborative (SCIC) inclusion specialists will provide professional development to use CARA's Kit program-wide to support the inclusion of children with disabilities and developmental delays.	
	CARA's KII: Creating Adaptations for Routines and Activities (CARA's KII; Campbell, Milbourne, & Kennedy, 2012; Milbourne & Campbell, 2007) is a resource that teachers use to create adaptations to routines and activities to meet the individual needs of children in their classrooms. It is a program-wide initiative for classrooms that erroll children aged 18 months through PreK.	
•	This initiative includes three 2.5-hour trainings with classroom consultation to implement strategies learned in training sessions in the classroom. This is a program- level commitment. All teachers and assistant teachers in classrooms for children aged 18 months through PreK and the administrative team will participate in this initiative. The expected duration of this professional development plan is 34 months.	
	If you need immediate support, please email SCIC@mailbox.sc.edu or call 803-777-8483.
